

Bulletin No. 6

Issued 13.03.2019

PAN AMERICAN
CLUB CREW CHAMPIONSHIPS
PIGEON POINT, TRINIDAD & TOBAGO
————— 2019 —————

Bulletin No. 6

Technical Regulations and Championship Regulations

For the PACCC 2019, Edition 7 (March 2016) IDBF Rules of Racing will be applicable and Edition 6 of the Competition Regulations will be applicable. Crew Managers are advised to have a personal copy with them at the event and to ensure that their crews are conversant with these rules in conjunction with the information provided in the Bulletins. Bulletins can be downloaded from <https://www.idbf.org/>

The information and regulations in this Bulletin are extracted from, and where necessary supplement and enhance the IDBF Competition Regulations and Rules of Racing, with which all competing crews are to acquaint themselves – see www.idbf.org/. In the event of a situation arising which is not covered by the IDBF Competition Regulations or the Championship Regulations contained herein, then the Chief Official will be responsible for investigating the circumstances and recommending appropriate action to the IDBF Jury appointed for the Championships.

Please note in this and previous Bulletins of any amendments to Competition Regulations and Rules of Racing. due to the water, wind and weather conditions particular to Tobago at this time of year.

PROVISIONAL PROGRAMME

25 March 2019 Monday	Departure of teams

Bulletin No. 6

REMINDER OF THE AGE REGULATIONS

· Under 16	13 th to 15 th birthday falls in the year of the competition (drummer and paddlers)
· U21	13 th to 20 th birthday falls in the year of the competition (drummer and paddlers)
· Premier Class	No Age Limit over age 12
· Senior A	40 th or later birthday falls in the year of the competition (drummer and paddlers)
· Senior B	50 th or later birthday falls in the year of the competition (drummer and paddlers)
· Senior C	60 th or later birthday falls in the year of the competition (drummer and paddlers)
Note: All age groups, ages shown above are as at 31st December 2019	

Helm – For PACCC 2019 only, the Helm may be of any age or either gender for all Race Classes.

CREW Numbers The maximum number in a Small Boat crew is 14 (including 2 reserves) A full boat crew would be 12 including Drummer and Helm. The minimum number of paddlers in a Small Boat is 08.

MIXED Crew requirements The Mixed crew must consist of a minimum of 4 and a maximum of 5 PADDLERS of either gender. (Drummer and Helm can be either Male or Female.) The following are the possible gender combinations:

5 Male	/	5 Female
5 Male	/	4 Female
4 Male	/	5 Female
4 Male	/	4 Female
plus Drummer plus Helm		

Crew List will be required for each Crew in every Competition Class entered. Reserves shown on a Crew List may be used during any rounds of a competition, without further reference to the Race Officials. –see ANNEX A for an example of a Crew list. One of the named 14 persons must be noted as the Boat Captain.

Crew Lists MUST be printed from the Online Registration System by Crew Managers and must be submitted before or at the Team Managers Meeting on Thursday March 21st or to Race Administration at the end of each day for the next day's racing. This will ensure Crew lists are processed and forwarded to Marshalling in sufficient time prior to first race. Only those Competitors shown on the Crew List will be permitted to race in that particular Competition Class.

Checking of Crews by Race Officials will be done using the Crew lists and Accreditation ID Cards.

Reminder- once Crew lists are handed in to Race Administration, they cannot be changed. This is the reason for including reserves.

Fit to Race. You are advised that when signing the Crew List, the person signing is confirming with the Chief Official, that all the competitors shown on the list are Fit to Race. This statement covers not just the physical ability of the competitors to undertake the race concerned but it also means that the signatory is confirming that there are no known medical reasons why those listed should not compete during the whole period of the Championships and that they compete entirely at their own risk. To ensure that Crew Managers can sign the Crew Lists with confidence, you are advised that all competitors should have a medical certificate signed by a qualified doctor stating that there is no known medical reason why they should not compete in the Championships and are physically fit. This is particularly relevant to all Senior and Junior competitors.

Bulletin No. 6

Banned Substances. Your attention is drawn to IDBF Regulation 11 concerning drug abuse and doping. The 2018 (effective 01 January) WADA Banned List is available from the WADA web site - <https://www.wadaama.org/>

Crew Managers are to ensure that their competitors are familiar with the contents and advice given in the current edition of the IDBF Anti-Doping Policy – see www.idbf.org and on the WADA web site. <http://www.wada-ama.org/>

Aiding and Abetting. Anyone who assists or incites, or otherwise encourages a competitor to indulge in drug abuse shall also be considered to have committed a drug offence and will be subject to the same disciplinary procedures as for a competitor or crew. Competitors Rights and Responsibilities with regards to Anti-Doping – refer ANNEX B.

Code of Conduct (IDBF Disciplinary Code). The Code of Conduct can be found in the Rules of Racing. The Disciplinary Code lays down a Code of Conduct for both Competitors and Officials covering behavior before, during and after a dragon boat competition and therefore applies from the time that a Club Crew arrives in the geographical territory where the Championships' are being held. The Chief Official is authorised to take any necessary disciplinary action as laid down in the code. Crew Managers are to ensure that all their Crew Members and supporters are aware of this Code and its contents.

Club (Crew) Racing Colours. While under the control of the Race Officials, all Competitors must race in the racing colours of the Club Crew they represent.

Identification of Competitors – Personal Identity Number (PIN). Each competitor will be allocated a Personal Identity Number (PIN) by the Registration system. This PIN shall be recorded on an identity document (Accreditation Card) with a photograph, which must be carried by all competitors during the competition.

Racing Vest Numbers. Each competitor, when racing, will show a Vest Number. The Racing Vest Number is not the same as the PIN. The Vest Number which will be in the range of 01-14 will relate to the Racing Vest Number shown against each competitor on the Crew List for a particular Competition Class and acts as a means of identification during a race.

Size of Numbers. The Racing Vest Number shall be enclosed in a box of a minimum length of 210mm and depth of 150mm, that is to say A5 size. Each numeral shall be of a size that will fit into a box of a minimum size of 100mm tall and 60mm wide. Racing Numbers below the number 10 are to show a 0 as the first numeral. Racing numbers may be temporary or permanent fixtures on the vest but shall be fixed to the back of the racing vest. Vest numbers can be printed on crew tops and maybe more comfortable for competitors.

Advertising on Clothing and Equipment. The advertising of a Team's sponsor on competitors' racing apparel or personally owned Racing Paddles will be permitted subject to the following provisos:- That any such advertising is unobtrusive and tasteful (that is, of a design that does not cause offence to the public or cause the racing vest to become unrecognisable as the Crew's Colours). One such advertisement will be permitted on the Racing Vest placed in such a position that it does not unduly disrupt, hide or negate the Team's racing colour design thereon. The maximum size of sponsors name and logo advertising that will be permitted on a Racing Vest shall be that which can be contained in a box measuring 20cm long by 5cm wide.

Paddles. Your attention is drawn to the IDBF Racing Paddle Scheme (RPS). The scheme is designed to help ensure that when a competitor purchases a Racing Paddle he or she buys one which is made to the IDBF Racing Paddle Specification – 202a. Paddles supplied by manufacturers in the RPS will have a 202a logo and a License Number Paddle Mark or sticker shown on the face of the paddle. The scheme also enables race officials at events to quickly and easily identify those paddles that are to specification and thus licensed for IDBF; ADBF and EDBF Championship Racing.

Bulletin No. 6

Competitors should bring their own Racing Paddles provided they are an approved Paddle. Officials will check paddles in marshalling to ensure they carry the 202a IDBF Registration sticker. Any paddle which does not display the IDBF registration logo and license number will be refused. A minimum number of paddles will be available for use and return after each race and before leaving the Marshalling area.

Life Jackets – at this PACCC 2019, life jackets are mandatory for all competitors, given the water, wind and weather conditions. Competitors may use their own Life jackets provided they are an approved Life Jacket. A minimum number of life jackets will be available for use and return after each race and before leaving the Marshalling area.

Additional and Miscellaneous Equipment Generally additional equipment designed to be added to the boat or personal or miscellaneous equipment designed to enhance the performance of the boat or a crew member shall not be permitted. The exceptions to this are on board communications systems that operate purely between crew members and seat cushions for individual paddlers, provided they are made of a soft material, such as sponge or foam, which does not effectively raise the height of a seat or seats in a boat – see below. The Chief Official shall decide on additional and miscellaneous equipment not specifically covered by these Competition Regulations.

Note: It is not the intention of the Regulation to exclude equipment enhancements such as, strapping to a paddle to assist grip, Velcro fasteners for seat pads, sponges or boat bailers, foot pads for competitors' comfort or other items that are not performance enhancing or a risk to the safety of the members of the Crew or the crew itself. Seat Pads. Dragon Boat Seat Pads (cushions) as described in Regulation 13.1 shall be made of a soft material, such as neoprene, of an approximate thickness of 15mm that will compress easily when squeezed between finger and thumb. The width of the seat pad may vary in size and shape but shall approximate to the width of a paddling seat in the IDBF Standard International Racing Boat (12.5 cm) and the length should ideally, not exceed 20cm in width and 40cm in length. Seat Pads that excessively exceed these dimensions will not be permitted.

Water Pumps. The carrying of any type of pump in the boat, during a race, which is designed to clear a boat of water is prohibited. Bailers will be provided but Crews must ensure they have bailers in their boat before leaving the loading area.

Straps and Strapping. In the interest of crew safety, no additional fixtures or fittings, such as straps to fasten a paddler into the boat or onto a seat are permitted. The Chief Official may relax this rule for physically disabled competitors, if adequate safety systems are provided to ensure that such crew members can easily be released from the boat and rescued in the event of the boat capsizing.

Protests and Appeals. The IDBF Racing Rules concerning Disputes, Protests and Appeals can be found under Rule 9 of the Racing Rules. ANNEX D contains examples of the Protest and Appeals Forms to be used by Crews. These forms will be available from the Race Administration.

COX VOX (boat sound system) If your crew wishes to use a Cox Vox, then your crew will need to supply its own and ensure it can be installed and removed quickly for each race.

Rules for 1000m and 2000m Racing. The IDBF Rules for Distance Racing are complicated and Team managers are advised to read carefully and to ensure that their teams are familiar with these rules. -- read Edition 7 of the Rules of Racing 2000m Course. Details of the course and further information concerning safety will be provided by the Technical Director of the Championship at the Team Managers briefing. Briefings for helms will take place in the morning before racing commences.

MEDALS -Each racing class final will be awarded Gold (first), Silver (second) and Bronze (third) medals regardless of entry numbers.

DISCIPLINARY MATTERS – refer to the IDBF Rules of Racing – Edition No 7. which can be downloaded from the Championship website - <https://www.idbf.org/>

RACE PROGRAM –Races will be held utilizing 4 racing lanes with 12 boats. Unless otherwise noted and not applicable for the 1000m or 2000m, there will be three (3) rounds for each event and the combined times will determine the final placings. A Competition Class with more than 6 entries will use the repechage system. Crews will be seeded for the 1000m and the 2000m according to their times submitted for the 500m.

The Race Outline is provided below. There are prescribed rests between races within each age category but with persons racing in multiple age categories, it cannot be guaranteed to provide the prescribed rest period.

We will try to accommodate if possible so **please advise ASAP** of :

- Any Club racing Females in their Open crews
- Any Club with Males or Females racing in more than one age category.- specify which age categories and which race distance.

How do I arrange transportation (Foreign Club)?

1. Request must be made through assigned team liaison (via e-mail or what's app or phone call) indicating:
 - i. Arrival and Departure locations
 - ii. Times
 - iii. Number of persons and vehicle/s
2. Team liaison then contacts transportation provider for assigned driver and confirms bookings. Team liaison must provide transportation provider with the following:
 - i. Club's name

 - iii. Manager's e-mail address and contact number
 - iv. Address of accommodation
3. Team liaison and Club Manager are required to maintain transportation schedule.
4. Transportation bill would be presented to Club Manager through liaison before club's departure from Tobago where payment must be made via CASH PAYMENT ONLY (\$TT or \$US). **Please note conversion rate of transportation provider is TT \$6 : US \$1.**

How do I arrange transportation (Local Club)?

1. Request must be made through Leslie Lee-Joyeau (via e-mail leseviv@gmail.com or what's app or phone call 1-868-775-1902) indicating:
 - iv. Arrival and Departure locations
 - v. Times
 - vi. Number of persons and vehicle/s
2. Leslie Lee-Joyeau then contacts transportation provider for assigned driver and confirms bookings. Leslie Lee-Joyeau must provide transportation provider with the following:
 - v. Club's name
 - vi. Manager's name
 - vii. Manager's e-mail address and contact number
 - viii. Address of accommodation
3. Leslie Lee-Joyeau and Club Manager are required to maintain transportation schedule.
4. Transportation bill would be presented to Club Manager through Leslie Lee-Joyeau before club's departure from Tobago where payment must be made via CASH PAYMENT ONLY (\$TT or \$US). **Please note conversion rate of transportation provider is TT \$6 : US \$1.**

Bulletin No. 6

Club Liaisons – each club would be assigned a liaison. Liaison’s name, contact number and e-mail address would be communicated to each club’s main contact via e-mail.

Race Day Meals – Meals can be pre-booked or purchased on site at the Pigeon Point Heritage Park. Menus and prices would be detailed in the subsequent Bulletin #7.

Commemorative PACCC 2019 items – Get them before they are gone! Items include water bottles, tank tops, sweaters, hats, bags, t-shirts. Order items online at: www.excellentstorett.com/paccc. Please note the following:

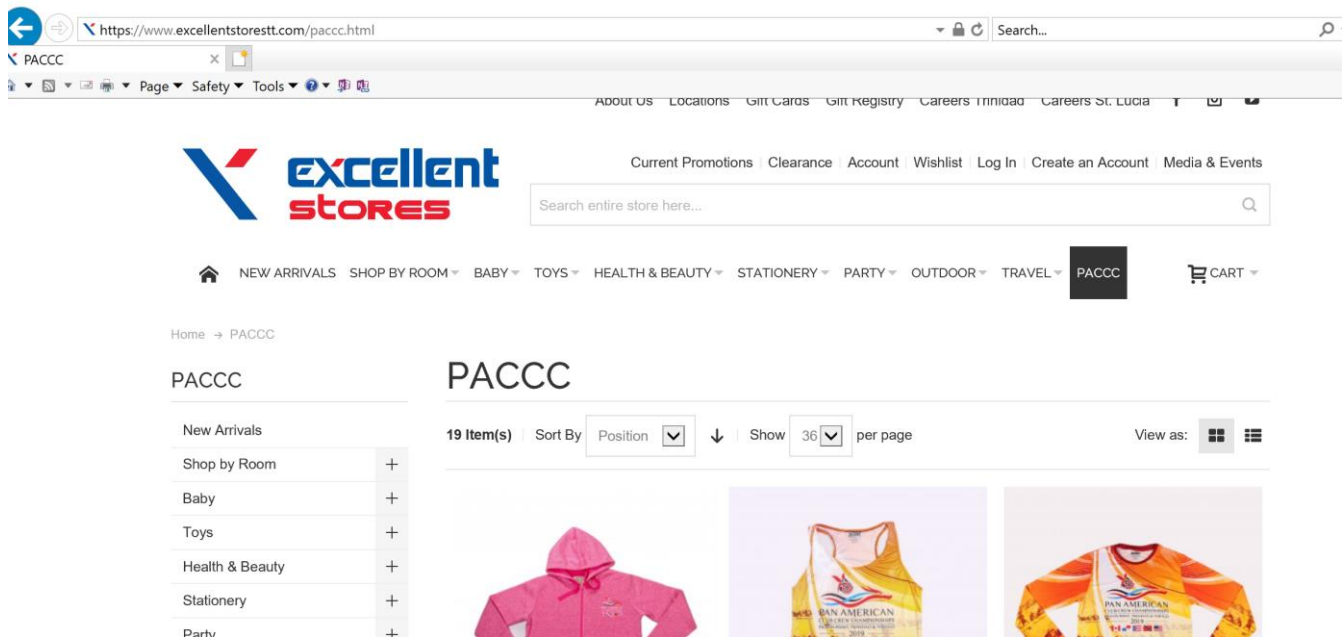

For clothing items, in order to specify size, please include in the “Gift message” field.

For those located outside of Trinidad & Tobago:

Shipping is not available outside of Trinidad and Tobago. If you are located outside of Trinidad and Tobago, you will be able to collect your items once you arrive in Tobago from the Excellent Stores tent at the race village. In this case, please specify shipping information as Pigeon Point, Zip/postal code will be 00000.

For those located in Trinidad and Tobago:

Shipping options via www.excellentstorett.com include shipping to any of our stores OR to your door. Also, if you would like to purchase using your Linx/debit card (vs credit card), you can do so by visiting any of these locations: C3 Centre, Arima, or Movietowne POS and purchasing via our Click & Collect computers.

If you have any questions or concerns, please don't hesitate to reach out to us:
